

Tech Hunt

"Technical, fun race event"

PROBLEM STATEMENT:

This event will test your physical and mental capabilities as you will go through various fun filled hurdles and mind-boggling puzzles. In the end it's about cracking the clues to get to the ultimate treasure.

RULES & REGULATIONS:

The event will take place in three rounds

Round 1: General screening test

All the participants will appear in this screening test which shall be based on simple aptitude and general awareness and technical questions.

Round 2:

1)Hurdle race (DAY 1)

- 80 members(max.) qualify for the second round divided into teams of 5 i.e 16 teams
- Three legged race
- After the completion of the race the team members will have to solve a crossword puzzle.
- Disqualification: The rope should never open throughout the race.

2) Bull's Eye

- Shoot objects (Cups, balloons, balls etc) with mouser (pistol).
- Answer to trivia related to the college.

3) Component fun

- Team members will have to identify certain electronic components from a bunch of components kept in a bowl.
- Disqualification: If more than 50% of the components are wrongly identified, no points will be awarded for this segment.
- Solve a puzzle.

4) Tech charades

- Disqualification: Any lip movement or voicing out the answer will lead to immediate disqualification.
- **All the 16 teams will be timed. Top 4 teams go through to the final round of Treasure hunt**

Round 3 (DAY 2) Treasure Hunt

- All the 4 teams will simultaneously participate in this round.
- Clues to the final treasure will be scattered throughout the college.
- The teams will have to take hints from the clues for reaching one final place.
- The team that reaches the first will win.

TEAM SIZE:

- Individual Participation in I round
- I round qualifiers will participate in the second round in a team of 5. Teams will be formed on random basis.

ELIGIBILITY CRITERIA:

All students with a valid Registration Card of DEXTRA 2014 along with their respective educational institutes' ID card are eligible to participate.
